NIAGARA COLLEGE

2008

Dan Patterson, PhD
Niagara College
President

On behalf of the staff and faculty of Niagara College, congratulations on the successful completion of your studies and on your graduation from Niagara College. You've achieved one of the most significant goals in your life.

While this is a time of celebration for you, I hope you will also take the opportunity to reflect and set new goals. Your college credential will open the doors to a world of opportunity for learning and success and I urge you to pursue your professional goals and continue to seek knowledge and growth. Learning is a process that never ends, and I encourage you to keep your commitment to learning alive.

You've gained the skills and knowledge required to build a successful career. I also encourage you to use your skills and knowledge in service to others; find ways to contribute to your community and enrich the lives of those around you.

As a graduate, you become a lifelong member of the Niagara College community, and I hope you will take up the challenge of contributing to the College's continued success and growth. The Niagara College Foundation and the Office of Alumni Affairs will keep in touch and send you news about the College and your classmates. Please keep in touch with us and let us know what is happening in your life.

I hope you'll remember those who have helped you succeed in your studies and in College life; the professors, support staff, advisory committee members, board members and College administrators who made it their purpose to help you succeed. Niagara College is committed to student success, and when you reach your goals, we've met ours.

On behalf of our faculty and staff, thank you for choosing Niagara College. You've made a wise investment that will provide a lifetime of returns. To each of you, I extend my sincere wishes for a happy, health and successful future.

Congratulations Graduates!! It is with great pride that I congratulate you all on your tremendous success here at Niagara College. We at S.A.C. hope that you leave this place with an enriched sense of self and fantastic experiences that contribute to the success of your life's journey. It has been a pleasure to be part of your education at Niagara College and we know that your time spent here will be with you always. Best wishes on all your future endeavours. Well Done!

METALS • ENERGY • INFRASTRUCTURE

A great place to work

Hatch, an employee-owned, global professional firm, has major metals, energy and infrastructure projects under way on six continents.

Hatch was founded in Canada 50 years ago, and today we have 8,000 talented people on the job for our clients.

But we could always use more good people.

We have challenging and interesting work worldwide for engineers, project managers, and construction managers.

Check us out at www.hatch.ca. Then write and tell us about yourself today. Submit your resume online at www.hatch.ca/careers.

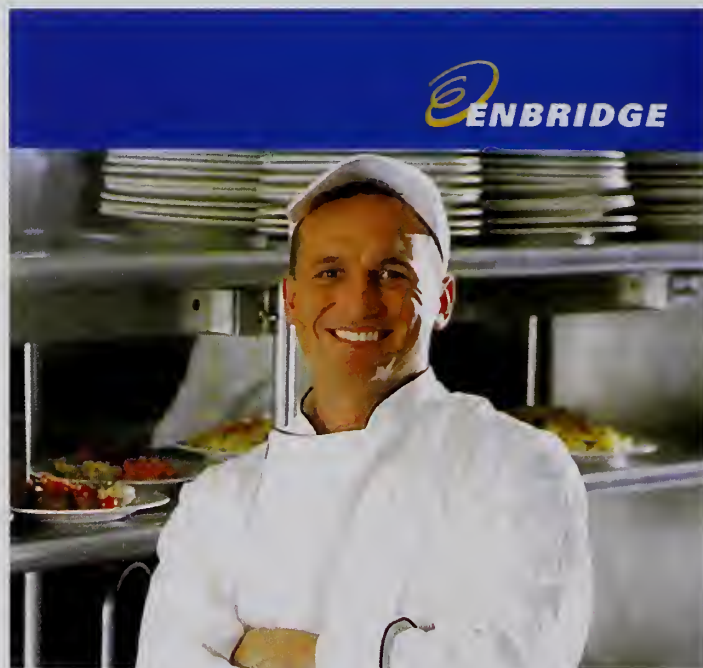

Start with us,
go anywhere.

We've been introducing students to the industry for over 35 years. Our employees have discovered that it's a great place to start & that smart, positive employees can go on to do almost anything.

ROTHSAY is committed to providing premium environmental services to conserve resources and reduce waste. As such, we perform a very important environmental role in the community, the importance of which cannot be overstated. By collecting recyclable material from butcher shops, restaurants, supermarkets, packing houses, etc., we recycle 15,000,000 pounds per week of meat scraps and cooking oils in Ontario alone – to put that in perspective, it amounts to 17,500 tractor trailer loads per year.

Today's HOSPITALITY INDUSTRY recognizes the importance of this essential environmental service, thank-you.
